

## 2010 CLT Grant Request

A limited number of grants, totaling up to \$200 each, will be awarded this year to ECCC local unit PTAs to sponsor attendance at the Georgia PTA Convention and Leadership Training (CLT). CLT is the largest training forum for PTA membership focusing on core educational and leadership opportunities designed to enable PTA leaders to become outstanding in their various areas of responsibility. The Georgia PTA CLT is attended by over 1,500 PTA leaders from across the state—leaders who engage their communities, connect with their school boards and elected officials, and motivate members to work on behalf of all children. Attendees build and create strong local PTA organizations that provide programs and activities that will impact student success. They influence school decisions and legislation affecting the well being of children and actively seek out programs, ideas, and tools to help their PTAs and school communities. CLT is a great opportunity for leaders to learn new skills that will help them be effective in their leadership roles and to network with other PTA leaders to share ideas. Please go to <http://www.georgiapta.org/convention.html> for dates and additional information on CLT. Special consideration will be given to applicants from schools that have financial limitations preventing attendance.
